PROGRAM FOR JANUARY 29, 2019

BILL DALTON, FIREFLY DIGITAL

Today GNOEA Member, Bill Dalton, President of Firefly Digital gave a great program on our new website and his business.

Since 1998, Firefly has provided innovative digital marketing solutions tailored to businesses across a wide range of industries, large and small.

Firefly Digital brings to each project a mix of marketing, creative and technical expertise, yet what distinguishes us most is our ability to think like business people. This gives us the ability to understand your business, your organizational culture, how you operate, how you compete...and how you think. We've done it for 19 years with great success.

As requested, Susan has recently emailed to everyone the link to update your listing, so please go online and check it out!
